

Maori Hill School - Snow and ice day reminder

For days where the weather conditions are marginal:

There are occasions in winter when we have to make decisions about the school opening time because of snow and/or ice conditions.

We have to consider not only conditions in the immediate community, but also those throughout the city. It may be suitable for children to walk to school, but impossible for staff from other suburbs to arrive as usual.

We also need to consider the safety of children when black ice is prominent around the hill suburbs.

If weather conditions are marginal then please:

1. Listen to the radio on one of the following stations:
 - MORE FM (97.4FM)
 - Classic Hits (89.4FM and 1125AM), or
 - Radio Dunedin (1305 AM or 99.8FM).
2. Call another parent whom you know – they might have heard!
3. Phone the Cancellation Line Service on 4717555.

If in doubt – stay home! Safety is the first priority. Find out the situation before leaving home.

Alistair Campbell
Principal
